UNITY DAY BY DAY

The budget that has been accepted by the Church Board for 2010 is \$226,856.

This means that we need:

- \$18,905 per month or
- \$622 per day to meet our full budget for 2010.

This amount does not include two months of our Provincial Benevolence from 2009 that we still are committed to fulfill. That amount totals approximately \$7400. We were able to significantly catch up on our Provincial Benevolence during the last month of 2009. With the economic situation over this past year, we are very thankful for the commitment that so many in our congregation have made.

Unfortunately, we had to cancel two services of worship within the last two months due to weather, which often results in lesser giving. We are hopeful that we can regain some of our lost momentum, and we ask each member to be aware of this concern as we continue to move through this winter season.
